

UPDATED: Correct teleconference number on this agenda

**Northwest Arctic Subarea Geographic Response Strategies (GRS)
Meeting of the
Saint Lawrence Island Communities
May 3, 2011
9:30 AM to Noon
Teleconference**

Telephone Number: 1(866) 625-9936
Sign in code: 8589916

Purpose of Meeting:

The primary purpose of this meeting is to review and give input on the environmentally sensitive sites for GRS development in the St. Lawrence Island Zones. The group may change or modify the list select a total of 10 sites. These will be developed into oil spill response strategies.

A map and list of sites is included in this packet. Please review these prior to the meeting.

Additional information on GRS' and this project is available at the project web site.
